Roger Love is recognized as one of the world's leading authorities on voice. No other vocal coach in history has been more commercially successful in both the speaking and singing fields.

Roger has worked with both emerging and large corporations.

Here are just a few examples:

Roger was hired by **Rock Financial/Quicken Loans** to coach over 300 of their financial advisors how to sell mortgage refinancing over the phone. During the three-year commitment, sales went up dramatically. Roger also starred in and co-produced an ABC competition show centered around Quicken Loans for the Detroit market called, "The Ultimate Performer Sales Challenge."

Roger coached the CEO and founder of **Famous Dave's Barbeque, a rapidly growing international restaurant group.** Dave credits Roger as a substantial part of that success, stating that finding his "Voice" gave him the confidence to speak in public and lead the company forward.

Premiere Radio hired Roger over the course of many years to coach their top radio personalities. He helped **Dr. Laura** re-find her voice and continue her syndicated radio career. He helped **Glenn Beck** work his way up the radio charts. He coached **Bill Handle** and helped him become the #1 morning radio show host in Los Angeles for over 10 years.

Roger worked with ex-J.P. Morgan CFO, **Peter Hancock**, who is now the current CEO of **Chartis/AIG.** He worked with Peter to create a voice that would represent his position as one of the most respected men on Wall Street.

Roger has worked with the **Cheesecake Factory** for a number of years. He is the voice

for the audio training programs for their new employees worldwide, showing them the secrets of tonality. The company is known for their outstanding customer experience. Voice, communication and influence are key factors in that experience.

Roger was hired by the **Lifestyle Lift Company** to coach its founder/CEO, his wife, and the top executive management team. Roger's efforts helped the company find their voice and grow to over 50 locations in the US.

Roger taught several hundred executives from the **Kaiser Corporation** how to master both the perfect bedside manner voice and the most effective voice for working within the corporation.

Roger has worked for a number of years with **DreamWorks Television.**

Roger has also coached superstar venture capitalist, singer, author, lecturer and public speaker **Roger McNamee** from Elevation Partners for over 8 years. Roger M's company was one of the first investors in Facebook as well as many of the other largest brands in the world of technology.

Roger has also worked with **1-800-Dentist** founder and spokesperson, **Fred Joyal**, to create a voice that works for him, the company, the commercials, the call centers and the brand.

Roger Love is recognized as one of the world's leading authorities on voice. No other vocal coach in history has been more commercially successful in both the speaking and singing fields.
